Orbital Robotics Specification Document - Page 1
This is official page 1 of the engineering manual.
Section 1.0 covers subsystem telemetry, propulsion diagnostics, and scheduled service routines for unr

Orbital Robotics Specification Document - Page 2

This is official page 2 of the engineering manual.

Section 2.0 covers subsystem telemetry, propulsion diagnostics, and scheduled service routines for unr

Orbital Robotics Specification Document - Page 3

This is official page 3 of the engineering manual.

Section 3.0 covers subsystem telemetry, propulsion diagnostics, and scheduled service routines for unr

Orbital Robotics Specification Document - Page 4

This is official page 4 of the engineering manual.

Section 4.0 covers subsystem telemetry, propulsion diagnostics, and scheduled service routines for unr

Orbital Robotics Specification Document - Page 5

This is official page 5 of the engineering manual.

Section 5.0 covers subsystem telemetry, propulsion diagnostics, and scheduled service routines for unr
